

In the Field - Discussion Questions + Exit Slip

With a partner please select **two** passages that address the issue of guilt in this chapter. For each selection, please provide the quote, page on which it can be found, and a brief analysis of the passage that examines why each character feels guilty.

Passage

Analysis

Exit Slip - On the reverse please briefly why you believe that O'Brien has left himself out of this chapter entirely. What purpose do you believe that serves in the novel?
