

The Best of Othello - Our favorite scenes

As part of our Othello unit we will be breaking in to groups and performing a few scenes from the play. In groups of 2-4 you'll be responsible for performing a particular scene in any genre. Think about it: Othello in space, Othello as a werewolf, Othello in medieval Russia, Othello in the NFL, Othello at a fashion show. The possibilities are endless.

Here's the list of scenes that you can choose from:

- Act 1, Scene iii - Lines 47-288, 5 Actors
- Act 2, Scene iii - 4 Actors (+ 1 for a couple of lines...)
- Act 3, Scene iii - 5 Actors
- Act 3, Scene iv - 7 Actors
- Act 4, Scene I - 4 Actors
- Act 5 Scene i - 5 Actors
- Act 5 Scene ii - 7 Actors

You'll be graded on 4 things:

1. Did you perform the scene?
2. Did your performance demonstrate an understanding of the text?
3. Did all group members participate?
4. Was your presentation of the scene creative and interesting?
