

The Taming of the Shrew - Act III Response

Elizabeth Taylor as Kate

“Now, if you love me, stay.”

In Act III we watch as Bianca entertains both Lucentio and Hortensio, each in disguise and competing for her affection while we also see Kate and Petruchio’s wedding fiasco.

Based on what you have read so far, what are your impressions of the two women in the play?

A successful response will be about one page (3-4 paragraphs) and will include a clear claim, coherent topic sentences, at least two pieces of textual evidence, ample commentary on the text, and a clear conclusion.
