

**“...the sow staggered her way ahead of them, bleeding and mad, and the hunters followed, wedded to her in lust, excited by the long chase and the dropped blood...”**”

In groups of two, write one paragraph that compares the boys trying to keep order with the boys focused on hunting. In what ways are they similar? In what ways are they different? At this point, is one side winning?

For credit, you *must* cite the text in your response in order to demonstrate your point and support you claims.
